(Signature of Applicant) (Address) (Phone Number)

Upon approval of this application, the Building Department will issue a Building Permit to the applicant together with an approved, set of plans and specifications. Such permit and approved plans and specifications shall be kept on the premises available for inspection throughout the progress of the work. **All changes to plans must be reported via a change order from the design professional.** The permit will only be honored for the scope of work for which it has been issued. No work is to commence until the Building Permit has been granted.

The required inspections will be checked off on your Building Permit. It is the **homeowner's** responsibility to ensure these inspections are scheduled. Our office needs at least 24 hours advance notice when scheduling. Final inspections and obtaining the Certificate of Occupancy or Certificate of Compliance is also the responsibility of the homeowner.

No building shall be OCCUPIED or USED in whole or in part for any purpose whatsoever until the Final Inspection has been passed and a Certificate of Occupancy has been granted by the Building Department.
