In most cases the application will be prepared initially by a licensed professional engineer, architect and surveyor or by a land planner. The Applicant should be aware that depending on the location, type and size of the project, additional reviews by State and County agencies may be required.

The Zoning and Subdivision Regulations of the Town of Wawarsing require that the applicant must present plans to the Secretary of the Planning Board. Submittals must be handed to the Planning Board Secretary at least two (2) weeks prior to the next meeting except for Logging Applications that have to be submitted three (3) weeks prior to the next meeting. The Town of Wawarsing Planning Board meets the third (3<sup>rd</sup>) Tuesday of every month. When your application is complete, it will be placed on the next available agenda. - (4) Upon receipt and approval by the Town Board of itemized vouchers from a professional for services rendered on behalf of the Town pertaining to the application, the Town Supervisor shall cause such vouchers to be paid out of the monies so deposited, and shall furnish copies of such vouchers to the applicant or developer at the same time such vouchers are submitted to the Town.

- (9) The amount of the initial deposit for the various developments covered by this section shall be as set forth in a schedule of deposits established from time to time by resolution of the Town Board. Said schedule shall remain in effect and shall apply to all applicants and developers until amended or revised by subsequent resolution.
- (10) The deposits required by this section shall be in addition to any application fees as may be required by other laws, rules, regulations or ordinances of the Town, and shall not be used to offset the Town's general expenses for professional services for the several boards of the Town, nor its general administration expenses.
